**Instructions:**

- *Claims will **not** be visible in the Jopari portal until Jopari Customer Care links your tax ID with your user account. It is best to wait to send this form until you've submitted at least 1 claim.*
- *If you submit this form prior to sending any claims, you will need to re-notify Jopari once you do submit a claim so Jopari can make the link between your user account and your tax ID.*
- *Only WebPT clients who are also Therabill users may use this form for registration with Jopari. If you do not use Therabill, please contact your clearinghouse for more information.*
